Kahuna Creations Newsletter

April 2010

## Kahuna Board Riders,

Glad you made it to this month's Kahuna Creations Newsletter! We've been having a great time working and riding at Kahuna Creations. For most of the world, the weather has been ideal for the sport, and more people than ever are able to get out and ride. If spring is any indicator, this is going to be an epic year.

### Kahuna Board Rider: Tjitze Postma

Sick name, from sick country, with sick style

Every month, we feature a different Kahuna Board Rider. This month, we have Tjitze Postma, a fan from Holland. Tjitze rides all the time and posted a handful of royally sweet pictures on the Kahuna Facebook page. He is stoked for Land Paddling™ and gets his friends to come along when the wind and waves aren't pulling through. Not only

### SUPGlobal Product Review

U.K. review of the Kahuna Big Stick

SUPGlobal wrote one of the best articles yet on Kahuna Creations. Dave Samuel, director of the U.K.'s [Paddle Round the Pier Festival](#) found the Kahuna Big Stick and picked one up for himself. He hooked up with SUPGlobal, and they put together a comprehensive product review of the Kahuna Big Stick. Check out the article [here](#). It shows how the SUP guys of England are using the Kahuna Big Stick

has Tjitze taught his buddies the art of the Land Paddle, he started clinics teaching kids how it's done. He works for a kitesurfing school, so is able to teach people that come to the school and is also about to run clinics at some of the local high schools. We're proud to have Tjitze as part of the Kahuna family and can't wait to see what else he is able to do.

It has since been supporting various extreme sports such as climbing, sea kayaking, and Land Paddling with the Kahuna Big Stick (called Street SUP in Australia). KSA focuses on anything that helps make life active and fun. "When we saw Kahuna Street SUP's we knew we had to get them in, and the response has been awesome!" KSA's promise is "We'll look after

and gives really good recommendations on Land Paddling.

### Duke Kahanamoko

Ethyl with the Duke at Waikiki

My family came across this picture of Duke Kahanamoko (2nd from the left) and the Waikiki Outrigger club. You're probably asking yourself who the good-looking girl is in the middle. That would be Ethyl, my great-grandmother! Surfing runs deep through the veins of me and the rest of the Kahuna family, and it made me proud to see my great-grandma hanging out with the Duke! I love this classic surf picture, and I wanted to take this chance to show off my ancestor!
