philosophy is if the product isn't fun or they don't trust it 100%, they won't sell it.

The guys at Rollerwave first met Kahuna Creations September, 2008 at the ASR trade show in San Diego. Owner Roy Hoogendorp said, "We absolutely loved the products and the enthusiasm of Team Kahuna." Rollerwave immediately saw the future of the Kahuna Big Sticks and brought them into their shop. "For every shop who wants to sell longboards, we strongly advise to have a big variety of Kahuna longboards and Big Sticks and really know your product" - team Rollerwave.

We are grateful for our relationship with Rollerwave and hope everyone in the area checks out their shop. If you don't live by Scheveningen, it's probably time for you to take a trip!
