Kahuna Creations Newsletter

March 2010

Kahuna Board Riders,

Welcome to March's newsletter from Kahuna Creations! Spring is officially here, which means it's time to get out and ride! We have already had some incredible weather and are loving being able to get in some good board-riding sessions. This season has been amazing so far, and we look forward to more epic rides.

Featured Retail Store of the Month

All-A-Board of Puyallup, WA

Every month we feature a different retail shop. This month we are featuring All-A-Board Skate Shop of Puyallup, WA. The guys of

All-A-Board know just about everything there is to know about longboarding. All-A-Board

Distressed Mullet Forum

We got a great article by Chris written in the Distressed Mullet Forum. This article explains how the Kahuna Big Stick can be used for deep carving. The guys in the article are champion paddle boarders that land paddle for cross training. Check out the article [here](#).

Kahuna Board Rider: Ron Breuer

workers Mark, Steve, and Seth have over 50 years of combined skateboard experience. They actually have summer longboarding lessons if anyone wants to learn from the longboarding masters. All-A-Board has been killing it selling Kahuna product for a few years now, and we love working with them!

Land Paddling with Casterboards

The boys from Axis Casterboarding have been supporting the Kahuna Big Sticks while riding casterboards. They are stoked on the product and put a collection of [videos](#) together. Check out their [site](#) and what they've done incorporating land paddling to casterboarding.

Land paddling picking up speed in the SUP scene

PaddleBoarding.com got us hooked up with a great land paddling article. PaddleBoarding.com explained the formation of Kahuna Ceations and its ties to stand up paddle surfing. Check out the [article](#) and the rest of the paddle boarding community web site.

This month's featured Kahuna Board Rider is Ron Breuer from Toronto, Ontario. Ron is a 28 year old Mecedez-Benz employee and longboard enthusiast. Ron has been longboarding for two years, rides downhill, long distance pumping (LDP), and recently got stoked on land paddling. "I love the Big Stick . . . I have the Bamboo model, and find it to be a very enjoyable way to cruise the beaches, our Toronto island, or our waterfront trail. And what a good workout too!" Ontario has a great longboard community, which has its own longboarding forum, [ontariolongboarding.com](#). We're definitely happy to have Ron ride with us and are thrilled to see the sport grow in Ontario.

Join the Kahuna Ohana

Join the Kahuna Creations community by befriending us on [Facebook](#), [Myspace](#), and [Twitter](#). Stay up to date with all the latest news, events, pictures, and video. Show off your stuff by tagging us in your pics / videos, and catch up with other Kahuna Board Riders.

If you haven't already checked it out, I strongly recommend paying a visit to landpaddling.org. This is a site put together by a land paddling supporter out of Pennsylvania named Herb. With his site, Herb has been building a land paddling online community that is completely detached from Kahuna Creations. His site has great land paddling videos, pictures, blogs, and a community forum. Thanks for spreading the Kahuna love Herb!

We appreciate your time checking out this month's newsletter! Thanks for all your support, and don't hesitate to let us know your ideas on how we could do better. Have an incredible month, and we hope to catch you on one of our boards!
